

## THE FAZIOLI SOUND

Pianist and engineer Paolo Fazioli visited Vancouver to host a private reception and mini-concert at the Pan Pacific Hotel. Actor Bruce Greenwood introduced performances by several musicians, including Tien Hsieh, 15-year-old piano prodigy Tim Zhang, and Duo Duetta. In addition to the impressive array of Fazioli pianos on display, the M. Liminal made it's debut. Designed by NYT Line and Philippe Gendre, it is the most expensive piano to come to Canada.
